(Session 2024-25) Grade - 4

Dear Parent,

## Greetings!

We wish you and your child a very happy summer holiday! It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way, let us engage in Holiday Homework under the guidance of the parents.

## Let's try to:

- \* Encourage our child to converse in English.
- \* Choose any one object from your surroundings every day, let your child speak few lines on it to develop thinking and speaking skills.
- \* Play different games like hide and seek, football, Ludo, chess etc. with your child. This will encourage them to express freely and will make them more responsible.

We are positive that the combined endeavours shall bring about the desired all-around holistic development of the child along great bonding.
