

MPS/CIR- 3/2025-26

(30th April, 2025)

(Session 2025-26)

Dear Parent,

Greetings!

Summer Break:
1st May to 30th June

SUMMER
"HOLIDAY
HOMEWORK"

As the summer break begins, the aim should be to have a PRISTINE time with the loved ones and work on oneself.

The break offers an opportunity to work through any walls students/children face or are facing.

It may be behavioral or academic challenges. The break enables each one of us to Pause a little, Think in the areas of challenges and cover them up or work on them.

It is the best opportunity to RELAX, REFLECT, BOND and LEARN in an Organic and experiential manner.

Now the question arises, how shall this happen and who shall guide the children especially when the children do not have a fixed routine as it is in school.

This is where the SUMMER HOLIDAY HOMEWORK once done with diligence plays a crucial role. 60 days must not be aimed to be spent aimlessly.

MPS has very thoughtfully structured dates to complete the assigned task and SUBMISSION dates which must not be missed at any cost. The study must continue even when it is break time.

Being associated to MPS as a parent it is your sincere responsibility to help your child , our student achieve the designated task in the assigned time frame hence meeting all the submission deadlines even during break

The Holiday Homework is mark based and carries 10 marks which is the part of TERM 1

A POEM

Don't you wake up late,
 Don't think it's a break!!
 Those who will follow routine
 Will surely love being serene..
 Take up a sport,
 Catch up with lagging subjects,
 Relax with books and Read to rest,
 Help your family and be your best,
 Eat healthy, think wise
 and always be nice..
 Listen, obey and hard work is the key !!
 Don't you think vacations are to be free !!
