(Session 2026-27)
Grade-3

Dear Parent,

Greetings!

We wish you and your child a very happy summer holiday! It is a time to relax, enjoy, and strengthen bonds with family, friends, and relatives. To utilize this time in the most constructive way, let us engage in Holiday Homework under the guidance of parents.

Let's try to:

- * Encourage your child to converse in English.
- * Choose any one object from your surroundings every day, let your child speak few lines on it to develop thinking and speaking skills.
- * Play different games like hide and seek, football, Ludo, chess etc. with your child. This will encourage them to express freely and will make them more responsible.

We are confident that these combined efforts will bring about the desired all-round holistic development of the child, along with stronger bonding.
